

CITY OF DAISSETTA

APPLICATION - TEXAS GENERAL LAND OFFICE (DISASTER RECOVERY REALLOCATION PROGRAM)

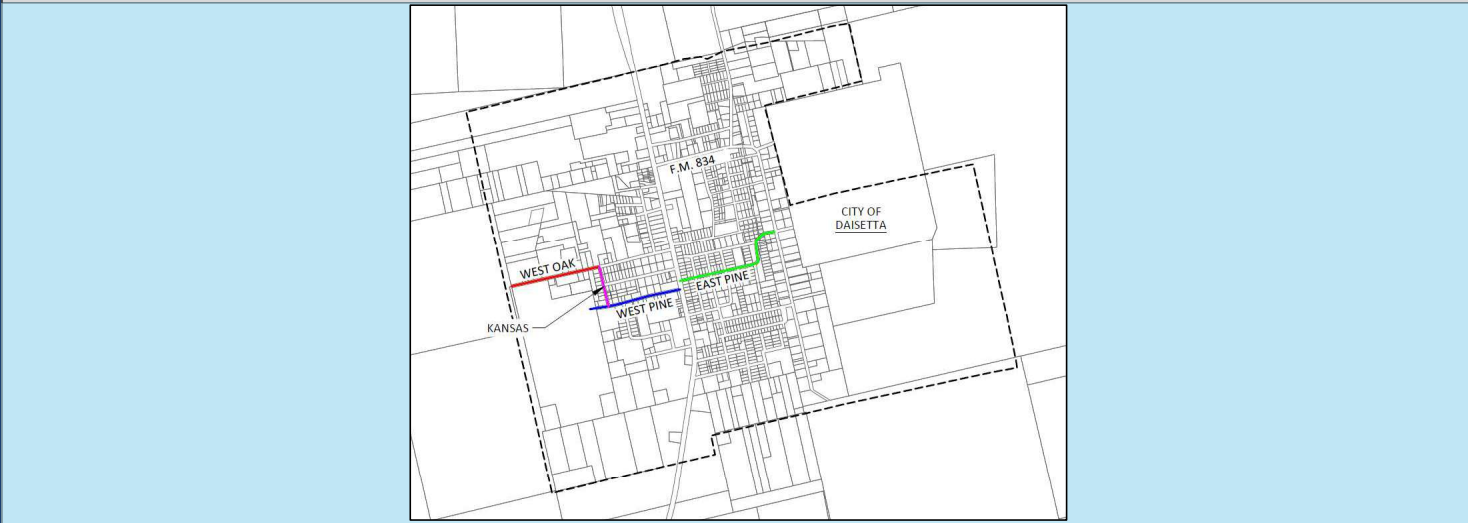

CITYWIDE STREET IMPROVEMENTS PROJECT

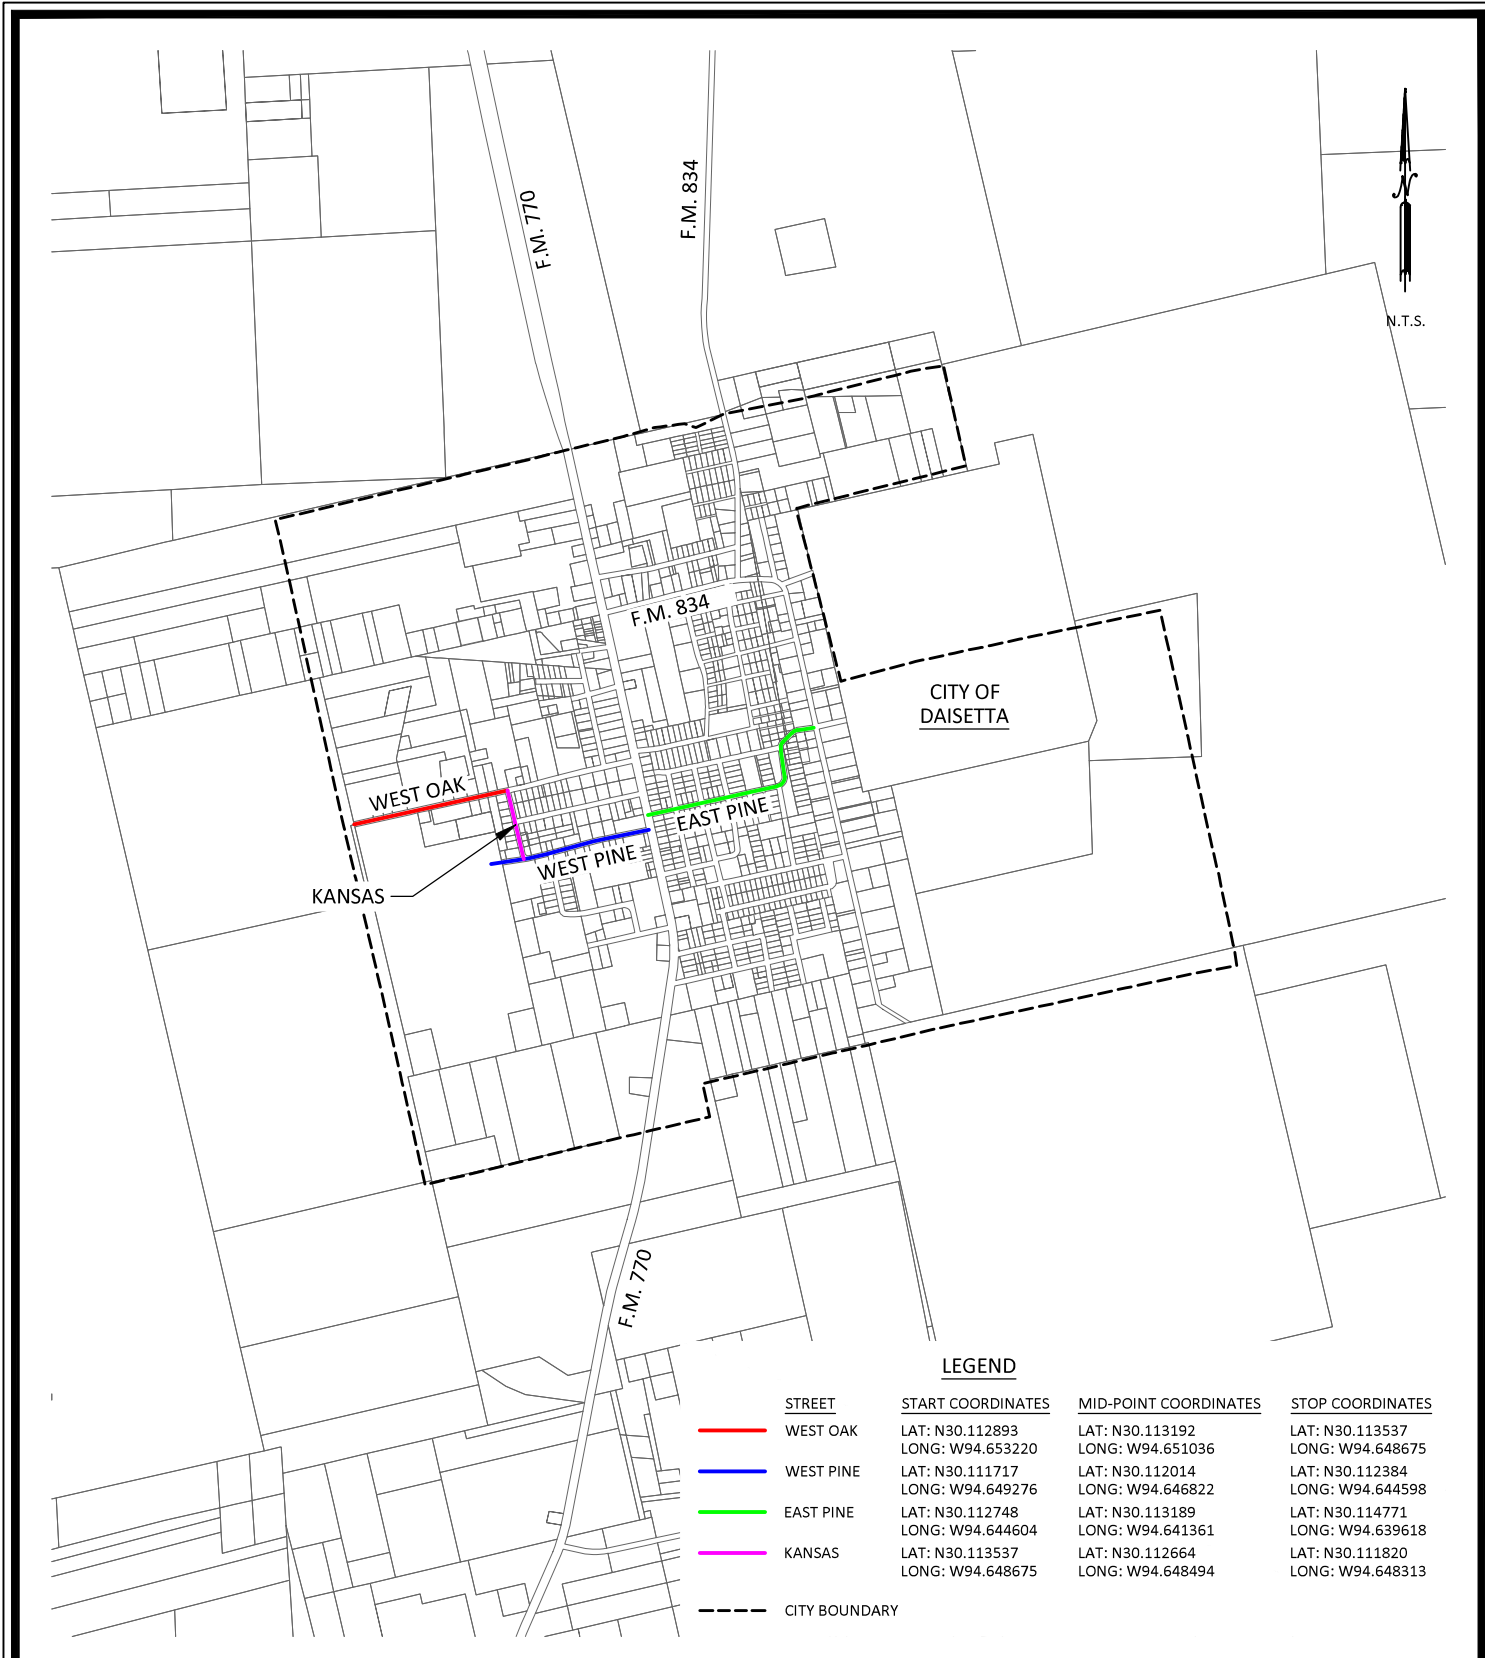

PROJECT DESCRIPTION	PROJECT BUDGET	
	PROJECT ACTIVITY	TOTAL FUNDS
<p>The proposed project will provide for the rehabilitation of four (4) roadways located throughout the City of Daisetta. These roads are West Oak, Kansas Street, West pine, and East Pine. This project would provide a city-wide benefit as these roadways are heavily traveled by the citizens of Daisetta. These roads are collectors to the main arterial Highway-770.</p> <p>This project represents an opportunity for the City to address deteriorating roadways. Improvements to the roads would provide for a safer travel way for the residents of the City of Daisetta during the event of a natural disaster. Additionally, the roadway improvements ensure that the City is taking steps to reduce strain on emergency services as well as improve the public's safety during natural disaster events.</p>	ADMINISTRATION/ENVIRONMENTAL	\$95,656.00
