The City of Daisetta, Texas will receive bids for the

**CITY OF DAISETTA, TEXAS  
ROADWAY IMPROVEMENTS PROJECT  
TEXAS GENERAL LAND OFFICE CDBG-DRRP  
GLO CONTRACT NO. 25-147-001-F196**

until 2:00 pm on Thursday, January 29, 2026, at City of Daisetta City Hall, 410B Main Street, Daisetta, Texas 77533. The bids will be publicly opened and read aloud at 401B Main Street, Daisetta, Texas at 2:01 pm, CST, on Thursday, January 29, 2026.

There will be a non-mandatory pre-bid conference with the Engineer, Owner, and Prospective Bidders at 10:00 am local time on Thursday, January 15, 2026 at City of Daisetta City Hall, 410B Main Street, Daisetta, Texas 77533.

The Project provides for roadway improvements on West Oak, Kansas, West Pine, and East Pine totaling approximately 5,637 linear feet. Bids are for items and quantity of work as follows:

1. Mobilization To Project Site;
2. Provide Traffic Control Plan, Sealed by P.E. in Texas
3. Prepare Right of Way, Provide and Implement Best Management Practices. Furnish and Implement Traffic Control Plan, Traffic Control, Barricading, and Detours. Notify 811 For Utility Locates and Verify All Utility Conflicts;
4. Remove and Replace Existing Manhole Frame and Cover;
5. Protect Adjacent Roadway and Other Structures. If Removal Of Pavement Is Required Or Damage, The Contractor Shall Remove, Replace, Or Repair At No Additional Cost To Owner;
6. Provide Geotechnical Services and Construction Materials Testing at Contractors Expense;
7. Furnish and Perform Full-Depth Reclamation (FDR), Pulverizing, Grading, Shaping, Mixing With Cement Slurry For A Total Depth Of 8-Inches, Compaction, Final Grading, and Curing;
8. All Driveways, Intersections, and Turnouts shall be prepared, sawcut, milled, and trackless tacked prior to Main Roadway Pavement Installation. All tie-ins shall have a clean vertical face and smooth horizontal final transition. Milling material may be used to make small driveway base repairs;
9. Provide and Construct 2-Inch Usual Ty-D HMAC PG Binder 64-22 For Main Roadways. Recycled Asphalt Pavement (RAP) and Recycled Asphalt Shingles (RAS) Are Not Allowed In The Mix Design For This Project. Provide and Install Trackless Tack;
10. Provide and Construct 2-Inch Usual Ty-D HMAC PG Binder 64-22 For Intersections and Turnouts. Recycled Asphalt Pavement (RAP) and Recycled Asphalt Shingles (RAS) Are Not Allowed In The Mix Design For This Project. Provide and Install Trackless Tack;
11. Provide and Construct 2-Inch Usual Ty-D HMAC PG Binder 64-22 For Driveways. Recycled Asphalt Pavement (RAP) and Recycled Asphalt Shingles (RAS) Are Not Allowed In The Mix Design For This Project. Provide and Install Trackless Tack;
12. Dispose Of All Waste Material At No Additional Cost To Owner;
13. A Supplemental item to Provide and Construct Water Service Lines Damaged During Construction. Groundwater Management, Excavation, Backfilling, and Final Stabilization Not Specifically Mentioned In The Plans Or Identified Within a Bid Item shall not be paid for directly and shall be considered incidental. Final Stabilization of Right Of Way to Existing or Better Condition;

14. An Alternate bid item to Furnish and Perform Full-Depth Reclamation (FDR), Pulverizing, Grading, Shaping, Mixing With Lime Slurry For A Total Depth of 8-Inches, Compaction, Final Grading, and Curing.

Bidding Documents are on file at [www.civcastusa.com](http://www.civcastusa.com). There is no cost to view the plans, and printing can be done through the website. Hard copies of Bidding Documents will not be sold. Complete sets of Bidding Documents shall be used in preparing Bids; neither Owner nor Engineer assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents. Owner and Engineer, in making copies of Bidding Documents available on the above terms, do so only for the purpose of obtaining Bids for the Work and do not confer a license or grant for any other purpose.

Bid Security, only in the form of: 1) a certified or cashier's check drawn on a Texas bank and made payable to the City of Daisetta; or 2) a bond executed by a surety company authorized to do business in Texas, in the amount of not less than five (5%) percent of the total bid, must accompany each bid at the time it is submitted. Bids must be submitted on the form shown in the Contract Documents. A Contractor Qualification Statement must also accompany each bid.

Attention is called to the fact that not less than, the federally determined prevailing (Davis-Bacon and Related Acts) wage rate contained in the contract documents, must be paid on this project. In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of race, color, religion, sex, age or national origin.

All Contractors/Subcontractors whose "System for Award Management" (SAM.gov) registration is not active may not undertake any activity in part or in full under this project.

City of Daisetta reserves the right to reject any or all bids or to waive any informalities in the bidding. Bids may be held by City of Daisetta for a period not to exceed 60 days from the date of the bid opening for the purpose of reviewing the bids and investigating the bidder's qualifications prior to the contract award.

Upon award, the successful bidder will be required to furnish payment and performance bonds.
