

## CITY OF DAISSETTA

### NOTICE

The City of Daisetta has adopted:

1. The International codes
2. A Mobile home placement ordinance
3. An RV ordinance

**NOTE:**

All ordinances are in effect from the date of the adoption. It will be expected that the proper permits will be pulled and that the proper inspections are completed. Failure to do so could result in fines and/ or termination of all utilities.

**Following is a list of the codes that will be in effect:**

1. 2018 International Building Code
2. 2018 International Residential Code
3. 2018 International Fire Code
4. 2018 International Plumbing Code
5. 2018 International Mechanical Code
6. 2018 International Fuel Gas Code
7. 2018 International Private Sewage Disposal Code
8. 2018 International Energy Conservation Code
9. 2018 International Existing Building Code
10. 2018 International Property Maintenance Code
11. 2020 National Electric Code

It is the responsibility of the contractor to call for all necessary inspections at each stage of the building process. All inspections will be based on the above referenced codes. Furthermore, it is the responsibility of the contractor(s) and/or homeowner having the work performed to adhere to all licensing requirements for the person(s) performing the work, and to insure that all necessary permits have been pulled prior to work being performed. Any work performed without a permit could result in the permit fees being doubled.

All water connections must have a shut-off valve on the customer side of the meter and one at the house.
